

DATE: July 5, 2019

TO: Finance Committee

FROM: Shannon Beaucaire, City Manager

SUBJECT: Fund 668 Water Construction – South Tank

Dear Finance Committee Members,

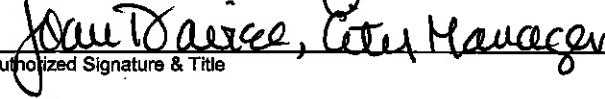

Fund 668, Water Construction, South Tank has a beginning fund balance of \$211,412 (See FY20 Approved Worksheets in packet). This project is complete, and therefore, no longer needs funding. The question is, where to return these funds to.

Please review the attached documentation and Fund 668 worksheet. Fiscal year 2016-17 shows an ending fund balance of \$211,843 - \$431 dollars different than the current beginning fund balance. The Government Sources of \$296,619 noted in 2016-17 are from the Business Oregon – please note the disbursement in April 2017. It appears, from the documentation, that this is for expenses funded through the City prior to the Business Oregon Loan. I've included documentation from the Recorder.

Please review the documentation. The Committee will discuss providing a recommendation to Council about where this balance should be returned to.

Project #0809-01	Title: Water Reservoir – South of the Bridge	Fund:
Project Narrative		Map, Illustration, diagram, pictures, etc.
<p>A .25 mg reservoir on the south side of the bridge has been discussed for years as a way of reducing service interruptions if the one main line crossing the river is damaged, and to add to the storage capacity.</p> <p>The project was included in the 2001 water master plan and therefore System Development Charges funds may be used.</p> <p>The project was also listed in the Urban Renewal District Plan and up to \$1,333,350 of those funds may be used for either construction or debt repayment.</p> <p>Construction is planned for the 2010-2011 fiscal year.</p> <p>Funds set aside from the URD receipts and System Development Charges for the first two years would be used in the third year. A final decision about the funding sources will be made by City Council later. If a loan is secured the debt could be serviced through the URD receipts in future years.</p>		Worksheet in CIP folder (excl)
