Ron Brean, Mayor  
PO Box 345  
Yachats, OR 97498

Dear Mayor Brean,

The Lincoln County Board of Commissioners is very supportive of the development plans proposed for the Ocean View Trail in the heart of Yachats and we stand ready to assist the City in realizing its vision to the extent that our resources permit. We believe the working relationship between the City and the County to resolve the longstanding issues related to the 804 Trail have developed a strong working relationship.

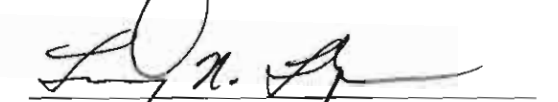

We are willing to direct resources from the 804 Settlement Fund to this project to the extent the settlement agreement and approval process allows, and we will support any grant proposals the City might develop to further realize this vision. We look forward to the day when this vision becomes a reality; it will further enhance the quality of life in an already outstanding community.

Sincerely,

### LINCOLN COUNTY BOARD OF COMMISSIONERS
