

Code Enforcement Report
March 2014

Spring break has usually been a bell-weather of what we can expect for the summer tourist season. There were a lot of people in town this past week.

- Email to property owner regarding a downed tree across a trail on the east side of Elk Mountain road.
- Walked Quiet Water trail.
- Attended Council work session.
- Attended first part of the City Council meeting.
- Letter sent to Executor of estate on W. 2nd Street.
- Several reports of fireworks being set off.
- Left message for contact person regarding illegally parked vehicles at a transient rental.
- Contact person returned call.
- Drafted a report on a transient rental inspection, pending an appeal regarding occupancy limits.
- Completed six grease trap inspections. All passed.
- Completed two transient rental inspections.
- Complaint (repeat) of storm water draining on to private property.
- Emailed City Planner regarding Code violation for storm water going on to an adjoining property.
- Counted 10 vehicles at a transient rental on Shell Street. Limit is four. Cars were gone next day. Called the contact person.

Respectfully submitted

Donald W. Niskanen
Code Enforcement Officer
