Amendment No. 8 to Professional Services Agreement
Project No. 141.00

Dear Mr. Mayor:

Our professional agreement for providing engineering services to the City of Yachats expires on August 23, 2013. As you may know, Article V of the document allows extension of services upon mutual agreement of both parties. In accordance with that article, The Dyer Partnership, Inc. respectfully requests extension of the agreement.

We have enclosed two copies of proposed Amendment No. 8 to the Professional Services Agreement extending the terms of the agreement for a period of two years, or until August 23, 2015. We propose keeping the current rate schedule in effect for the term of this extension, which is enclosed and attached as part of the amendment.

When the City is satisfied with the terms, please return one signed copy to our office. We appreciate your confidence in our firm and we look forward to continuing our working relationship with you and the City of Yachats.

Sincerely,

**THE DYER PARTNERSHIP
