STANDARDS FOR A HOME OCCUPATION

1. The home occupation shall be secondary to the main use of the property as a residence.
2. No structural alteration, including the provision of an additional entrance, shall be permitted to accommodate the home occupation except when otherwise required by law. Such structural alteration shall not detract from the outward appearance of the property as a residential use.
3. No persons other than those residing in the dwelling are to be engaged in the home occupation unless authorized by the Planning Commission through a Conditional Use Permit.
4. No window display and no sample commodities displayed outside the building shall be allowed. One unlighted sign not exceeding one and one-half square feet in area shall be permitted. The sign shall either be attached to the exterior of the building, or, if detached from the building, shall not be located in a required front or street side yard.
5. No materials or mechanical equipment shall be used which is detrimental to the residential use of the dwelling or adjoining dwellings because of vibration, noise, dust, smoke, odor, hazardous or toxic chemicals, interference with radio or television reception, or other factors.
6. No materials or commodities shall be delivered to or from the residence which are of such bulk or quantity as to create undesirable traffic or congestion.

HOME OCCUPATION CERTIFICATION

7. No parking of vehicles in a manner or frequency so as to cause disturbance or inconvenience to nearby residents shall be allowed.
8. A valid business license from the City shall be required.
9. If the applicant certifies in writing that the home occupation meets all of the above standards the City Planner or designee may authorize the licensing of the home occupation and waive the conditional use permit requirement. Such license shall be subject to annual review.

This is to certify that I have read and understand the above cited standards for a home occupation as per Yachats Municipal Code 9.72.050(D)(1-11) and that my proposed activity will comply fully with these standards. Therefore, I would like to have the requirement for a conditional use permit waived. I understand that failure to comply with these standards constitutes a violation of the ordinance and the license for this business may be revoked.
