

**CITY OF YACHATS
RESOLUTION NO. 2013-07-04**

**A RESOLUTION AUTHORIZING THE PUBLIC WORKS DIRECTOR TO
ASSIST THE LIBRARY COMMISSION WITH THEIR PLANNING**

WHEREAS, David Dunsdon, Chair of the Library Commission said that the Commission has been having trouble developing a Long-term Master Plan as requested by the Finance Committee and they are requesting that the City Council authorize the Public Works Director's assistance; and

WHEREAS, Council agreed that they did not have a problem with having the Public Works Director assist the Library Commission with a maintenance plan for the facility, a proper long-term master plan would require a significant commitment of time and effort at a point when the Public Works Director is already working on so many other issues; and

WHEREAS, Dunsdon explained that a maintenance plan is part of the work with which the Commission needs help, however, the Commission has been unable to determine how much storage or the best place for that storage. Public Works Director Blanchard has indicated that he has experience in making that type of determination, therefore the Library Commission is requesting his assistance;

NOW THEREFORE BE IT RESOLVED that the City Council of the City of Yachats hereby authorizes the Public Works Director to assist the Library Commission in their efforts.

PASSED AND ADOPTED the 11 day of July, 2013.

THIS RESOLUTION MEMORALIZES A CITY COUNCIL ACTION TAKEN JULY 11, 2013, AND WAS EFFECTIVE AS OF THAT DATE.
