# How to locate the information you seek:

The Yachats database includes two web sites. YachatsOregon.org and GoYachats.com The document library is a fully integrated part of YachatsOregon.org. There are three search options for public users.

Home Page Search:

Beginning with the YachatsOregon.org home page. The graphic below points out the location of the search icon and the search box once you click on the icon. If you move your mouse very far left or right, the search box will close.

YachatsOregon.org menu options

How do I... ❓ ▾   Reports ▾   Live/Visit ▾   Government ▾   Business ▾   🔍▾   👤▾

Click the magnifying glass to access a basic search option

Google Custom Search   Search ✕

Home Page Search Results:

Once you enter your search keywords and press Enter or Search, the results should look like the image below. The option box on the right has two choices. The default is the relevance of your keywords to the search results. You can alter the order of the results by choosing the date option which will display the newest documents first.
