

To: Yachats City Council  
From: Bob Bennett, Emergency Planning Committee  
Subject: June 2014 Status Report

One of the action items from the Emergency Planning Table Top Exercise held on May 13<sup>th</sup> was to provide regular reports to the City Council on actions proposed or taken by the Emergency Planning Committee. This is the first such report. If the Council prefers another reporting approach or wished changes to the format please contact me at [rmbenn@casco.net](mailto:rmbenn@casco.net) with the requested adjustments. The plan is to prepare a report each month prior to the City Council meeting.

This month the focus was on reviewing the rough notes made during the Table Top Exercise and developing a workable action plan. The following items are planned for the next meeting which in the first Tuesday of each month at 2:00 PM in the Council Room.

- Contact the Yachats Rural Fire Protection District for a copy of their Emergency Plan for a Distant Tsunami and a major storm.
- Work with the Lincoln County Sheriff's Office of Emergency Planning to finalize the notes from the Table Top and produce a finished report.
- Develop a list of FEMA courses on Emergency Command Structure and Processes suitable for Yachats City Council.
- Begin work on developing an approach for a Yachats City Emergency Plan for a Distant Tsunami and major storms which takes into account the YRFPD plan and is focused on city infrastructure protection and recovery.
